COMPLETE YOUR SAFETY TRAINING WITH UNITED ACADEMY

QUALITY SAFETY TRAINING WHEN AND WHERE YOU NEED IT

United Academy is a comprehensive training solution designed to help you reduce the overall cost and complexity of safety training and credential tracking for your employees. Choose from 300+ English, Spanish and French classes available in classroom, blended, virtual and online formats.

PROFESSIONAL COURSES IN-PERSON & ONLINE

- Top-notch training from an industry leader
- Courses developed by a team of subject matter experts
- Meets or exceeds OSHA, ANSI and OH&S training requirements
- Meets legal regulations for training, theory, practical, and hands on evaluation
- Instructor-led training by Certified Professional Trainers or interactive cinematic online component
- Over 300 courses to choose from
- Training valid in all 50 states and Canada
- Courses available in English, French and Spanish

RECORD MANAGEMENT MADE EASY

- Training documentation stored on United Academy platform
- Ability to upload training records taken outside of United Academy
- Email notifications sent when certification is up for renewal
- Certificates and temporary cards available to print immediately after training completion
- Work efficiently with compliance tools, team views and various reporting dashboards
- Managers can view all records, assign courses and upload external certificates for their employees

ACCESSIBLE WHERE YOU ARE

- Classes and account records accessible 24/7
- Verify training records out in the field by simply scanning the United Academy wallet card or hardhat sticker
- Access via website or United Academy mobile app
