Customer agrees that in such event it assumes full ownership of and responsibility for the Equipment and any residual contents and all related liability for the management, transportation and disposal of such Equipment in accordance with all applicable Regulation. Customer agrees that it shall be the generator of any hazardous, solid, or radioactive waste generated as a result of Customer's failure to return the Equipment in an empty condition (in accordance with the terms set forth herein), and of any residual materials resulting from Customer's attempt to clean the Equipment. The foregoing indemnity obligation shall survive the termination or expiration of this Agreement.

8. Compliance with applicable Regulation

Customer shall, at Customer's sole expense, comply with all applicable laws and Regulations (including but not limited to those relating to worker safety or the environment), building and zoning codes, professional licenses, and licenses and permits which may apply to the use of the Equipment ("Licenses and Permits"). 9. Warranty/ Disclaimer of warranties

UNITED WARRANTS THAT THE EQUIPMENT WILL BE IN GOOD WORKING ORDER UPON DELIVERY AND THE SERVICES WILL BE PERFORMED IN A GOOD AND WORKMANLIKE MANNER. EXCEPT AS EXPRESSLY SET FORTH HEREIN, UNITED MAKES NO WARRANTIES, EXPRESS OR IMPLIED WITH RESPECT TO THE EQUIPMENT, SPECIALTY MEDIA, OR SERVICES AND MAKES NO WARRANTIES AS TO THE MERCHANTABILITY OF THE EQUIPMENT OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, INCLUDING THE PERFORMANCE OF ANY FILTRATION EQUIPMENT TO MEET ANY APPLICABLE REGULATORY STANDARD. THERE IS NO WARRANTY THAT THE EQUIPMENT IS SUITED FOR CUSTOMER'S INTENDED USE, OR THAT IT IS FREE FROM DEFECTS OR CONTAMINANTS. EXCEPT AS MAY BE SPECIFICALLY SET FORTH IN THIS AGREEMENT, UNITED DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, MADE IN CONNECTION WITH THIS RENTAL TRANSACTION. IN THE EVENT OF A BREACH OF THE ABOVE EQUIPMENT WARRANTY, UNITED SHALL, AT ITS SOLE COST AND EXPENSE, REPAIR OR REPLACE THE EQUIPMENT. United has no obligation to repair or replace Equipment rendered inoperable by misuse, abuse, neglect or any other use of the Equipment in breach of this Agreement by Customer. Customer's sole remedy for any failure or defect in Equipment shall be the termination of any rental charges accruing after the time of failure.

11. Return of equipment/ Damaged & lost equipment

At the expiration of the Rental Period or if United has agreed to pick up the Equipment, United shall endeavour to pick up the Equipment within a commercially reasonable period of time after Customer notifies United that the Equipment is called "off rent." Customer is obligated to restore the Equipment to the same condition as when delivered, reasonable wear and tear (as defined below) excepted. Where United is responsible for the delivery of the Equipment from the Store Location to the Customer United shall be responsible for all damage to or loss of the Equipment from the time the Equipment leaves the Store Location until it is delivered to the Customer. In the case of the loss or destruction of any Equipment, or inability or failure to return same to United for any reason whatsoever, Customer will pay United the then full replacement list value of the Equipment together with the full rental rate as specified until such Equipment is replaced. If the Equipment is returned in a damaged or excessively worn condition, Customer shall pay United the reasonable cost of repair and pay rental on the Equipment at the regular rental rate until all repairs have been completed. United shall be under no obligation to commence repair work until Customer has paid to United the estimated cost therefor.

Disinfecting: During a widespread or global occurrence of an infectious disease, for Equipment handled by a person known or suspected to be infected or used in a known or suspected zone of infection including but not limited to permanent or temporary healthcare facilities and testing facilities, ambulance interiors, and biological laboratories, Customer shall disinfect the Equipment in accordance with the following requirements: (i) disinfection must be performed by an independent contractor acceptable to United; (ii) it must be documented to United's satisfaction; (iii) in the event Customer is unable to disinfect in accordance the Equipment, United

(i) damage resulting from lack of lubrication, insertion of improper fuel or maintenance of necessary oil, water and air pressure levels; cavitation; or freezing; except where United expressly assumes the obligation to service or maintain the Equipment, any damage resulting from lack of servicing or preventative maintenance suggested in the manufacturer's operation and maintenance manual; (iii) damage resulting from any collision, overturning or improper operation, including overloading or exceeding the rated capacity of the Equipment; (iv) damage in the nature of dents, bending, tearing, staining, corrosion or misalignment to or of the Equipment or any part thereof; (v) wear resulting from use in excess of shifts for which rented; and (vi) any other damage to the Equipment which is not considered ordinary and reasonable in the equipment rental industry.

Customer agrees that if the Equipment is not returned by the end of the Rental Period, or if the Equipment is not in the condition specified by this Agreement when United comes to the Customer site to pick up the Equipment, United, in its sole discretion, may require Customer to do any of the following: (A) continue to pay the rental rate(s) applicable to the Equipment as specified in the Agreement; (B) for periods less than 24 hours, pay the full daily rental rate applicable to the Equipment; (C) pay any increased rental rate(s) in effect at the time of, or after, the expiration of the Rental Period; or (D) assess a pickup charge if the Tanks are not in the empty condition in accordance with the terms of this Agreement. Customer agrees that United reserves the right to charge the Credit Card, and/or Customer's account for any amount owed by Customer pursuant to this section due to late return of Equipment.

14. Rental period/ Calculation of charges

Rental charges commence when the Equipment leaves the Store Location and ends on the calendar day following the date on which the Equipment is either returned to the Store Location during United's Regular Business Hours or collected by United following a notification from the Customer to United during Regular Business Hours that the Equipment is "off rent" and obtains an "off rent" confirmation number from United.

Rental charges will continue to accrue until Equipment is properly cleaned in accordance with the terms of this Agreement and made available for collection.

Pick-up and delivery by United is subject to a "Delivery and Pick-up Service Charge," the amount(s) of which are disclosed on the Rental and Service Agreement. Notwithstanding anything to the contrary in the preceding sentence, for the rental of Tanks, the rental period continues until Customer has emptied the Tanks of all contents and cleaned the Tanks in accordance with all applicable regulations, and all other terms of this Agreement. Rental charges do not include the cost of the Refueling Service Charge, any applicable Taxes (as defined below), the Delivery and Pickup Service Charge, transportation surcharges, the cost of any applicable environmental service charge or other miscellaneous charges, the amount(s) of which are disclosed on the Rental and Service Agreement. Additionally, United shall invoice Customer for any additional excess cleaning or repair costs, including: (i) removal of any alterations made by Customer to the Equipment; (ii) restoration of the Equipment to its original configuration; (iii) re-lining or repainting of Tanks; (iv) disposal of any contents left in Tanks; or (v) transportation to and from an approved repair facility. For diesel generators and diesel pumps, operations in excess of one shift will be as follows: 125% the rental charge for double shift and 150% the rental charge for triple shift. Customer will truthfully and accurately certify to United the number of shifts the Equipment was operated. Customer's right to possess the Equipment terminates on the expiration of the Rental Period and retention of possession after this time is a material breach of the Agreement. TIME IS OF THE ESSENCE OF THE AGREEMENT.

15. Refuelling service charge

Customer acknowledges that a "Refuelling Service Charge" of GBP 50 plus 120% cost of fuel will be applied to all Equipment not returned with a full tank of fuel. The exact cost of the Refuelling Service Charge may vary depending on the rate being charged by the Store Location on the date Customer returns the Equipment. A. DEPOSIT: In addition to securing the payment of rental charges hereunder, Customer agrees that any rental deposit shall be deemed to be a guarantee by Customer of the full and complete performance of each and all of the terms of this Agreement to be performed by Customer. In the event of any breach by Customer, the deposit will be credited against any damages, cost or expense incurred by United as a result of the breach.

B. PAYMENT: All amounts due hereunder shall be payable in full within 30 days of receipt of invoice by Customer. Customer acknowledges that timely payment of rental and service charges is essential to United's business operations and it would be

impractical and extremely difficult to fix the actual damages caused by late payment. Customer and United agree that there shall be added to all past due rental charges a late payment fee equal to the lesser of two percent (2%) per month (24% per annum) on any such payments outstanding after 30 days, or the maximum amount allowed by applicable law. Rental rates do not include sales tax, goods and services tax or other taxes, levies and assessments required to be collected by United from Customer at any time upon, or in respect of, the Equipment and/or the Agreement (collectively, "Taxes"). Customer agrees that United reserves the right to charge the Credit Card and/or Customer's account for any amount owed by Customer pursuant to this section due to late or past due payment(s) or rental charges or Taxes. In the event Customer asserts that a transaction is exempt from Taxes, Customer agrees to provide a valid tax exemption certificate. Should the transaction later be deemed taxable, Customer is obligated to reimburse United for any Tax assessed that was attributable to Customer.

17. Title/ No purchase option/ No liens

With the exception of Specialty Media, the Agreement is not a contract of sale, and title to the Equipment shall at all times remain with United. Unless covered by a specific supplemental agreement signed by United, Customer has no option or right to purchase the Equipment. Customer shall keep the Equipment free and clear of all mechanics and other liens and encumbrances.

18. Default

Customer shall be deemed in default should Customer fail to pay any amount when due hereunder; fail to perform, observe or keep any provision of the Agreement; become "Insolvent" (as defined herein), or should United anticipate that Customer may become Insolvent; or otherwise be in default. If Customer is in default, United may do any one or more of the following: (i) terminate the Rental Period; (ii) declare the entire amounts due hereunder immediately due and payable and commence legal action therefor; (iii) cause United's employees or agents, with notice but without legal process, to enter upon Customer's property and take all action necessary to retake and repossess the Equipment, and Customer hereby consents to such entry, re-taking and repossession and hereby waives all claims for damages and losses, physical and pecuniary, caused thereby and shall pay all costs and expenses incurred by United in retaking and repossessing the Equipment; or (iv) pursue any other remedies available by law. Customer shall be considered "Insolvent" if Customer shall generally not pay, or be unable to pay, or admit its inability or anticipated inability to pay its debts as such debts become due; make an assignment for the benefit of creditors, or petition or apply to any court or tribunal for the appointment of a custodian, receiver, or trustee for it or a substantial part of its assets; commence any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, or liquidation law or statute of any jurisdiction, whether now or hereafter in effect; have had any such petition or application filed or any such proceeding commenced against it in which an order for relief is entered or an adjudication or appointment is made; or take any action indicating its consent to, approval of or acquiescence in any such petition, application, proceeding or order for relief or the appointment of a custodian, receiver or trustee for all or any substantial part of its properties.

All insurance required by the Agreement shall include a waiver of rights of recovery against United or its insurers by the Customer and its insurers, as well as a waiver of subrogation against United or its insurers. The policies required hereunder shall provide that United must receive not less than 90 days' notice prior to any cancellation.

20. No assignment, lending or subletting

Customer shall not sublease, subrent, assign or loan the Equipment without first obtaining the written consent of United, and any such action by Customer, without United's written consent, shall be void. Customer agrees to use and keep the Equipment at the job site set forth in the Agreement unless United approves otherwise in writing.
